

Our Beginning

The **Spiritual Healer Professional Learning Institute** was founded in 2010 by [Randall Loop, LMT, MLC, LSH, OM](#), and is a **Program** of the **International Spiritual Healer Association**/[ishpa.com](#).

Our Mission

The **Spiritual Healer Professional Learning Institute** mission is to create worldwide professional acceptance for those who possess [Spiritual Healing Techniques](#), are **Members** of the [International Spiritual Healer Professional Association](#), or **Certified** with [Natural Therapies Certification Board](#) or any other **Verifiable Organization** within the **United States** or **Abroad**.

Our Purpose

The **Spiritual Healer Professional Learning Institute** provides [Professional Education](#) to equip those **Certified in a Healing Technique** with the ability to operate [Professionally, Ethically](#), with a Legal [Informed Consent Form](#) and [Spiritual Coaching Skills](#).

Successful completion of these courses qualifies those **Certified and Educated** to make application to become a [Licensed Spiritual Healer](#).

We also continually develop courses that will aid in the Continued Education of Spiritual Healers.

Who is a Spiritual Healer?

A **Spiritual Healer** as defined by the Institute may be anyone who believes they possess abilities, talents or gifts that will assist individuals seeking their services to regain and improve their state of Spiritual Wholeness or Balance.

Professional Development?

[Professional Education](#) or Development refers to skills and knowledge that can be attained for both personal and career enhancement. Personal and Professional Development encompasses all types of facilitated learning opportunities, ranging from informal course work, certification courses, college, degrees, licensing, conferences and other opportunities. There are a variety of approaches to Personal and Professional Development, including consultation, coaching, communities of practice, lesson study, mentoring, reflective supervision and technical assistance.

Why Educate with Us?

A wide variety of people who consider themselves Spiritual Healers within the Natural, Holistic, Wellness, Complimentary, Alternative, Intuitive, Psychic, Medium, Allopathic, Integrative, Ministry Professions and other like minded persons of service engage in Personal and [Professional Education](#). Thousands of gifted, talented and certified persons to date have done so with the Institute.

Individuals have participated in our Personal and [Professional Education](#) because of an interest in lifelong learning, a sense of moral obligation, to maintain and improve professional competence, enhance career progression, keep abreast of new technology and practice, or to comply with professional regulatory organizations.

Many State Licensing Organizations, Associations, Training and Certifying bodies have Personal and [Professional Education](#) requirements for continued affiliation. Our Learning Opportunities carry **Continuing Education Units (CE's)** accepted by many.

You should strongly consider our [Professional Education](#) if:

1. You believe that Spiritual Healing either comes through you to your client or are assisting individuals seeking your services to regain and improve their state of Spiritual Wholeness or Balance.
2. If you are **Certified or Training in** a Spiritual Healing Technique ([listed here](#)) or you possess others you would like to utilize within legal parameters.
3. You wish to Assist or Coach others as a [Licensed Spiritual Healer](#) (LSH).
4. You desire to develop and expand your talents personally and professionally as a Spiritual Healer.
5. You desire to join a community of other Spiritual Healers who are assisting in creating a better world.
6. You want to practice with high integrity and create a higher level of value as a Professional.
7. You would like to advance the world view and continued acceptance of Spiritual Healing Practices in your community.
